STAFF RECOGNITION

The board appreciates the effort made by its staff members, students, and citizens in achieving the district's vision, mission, goals and objectives of the strategic plan. The board recognizes any such outstanding accomplishments on behalf of the district. The board may recognize staff member(s) for exemplary service, special achievements, or outstanding contributions. The Superintendent or designee will make provisions to recognize publicly and commend the staff member(s) for special honors or office earned in connection with or related to their work. Each board director will be awarded a service certificate from their service on the board. Each staff member who retires from the district will be awarded a service certificate.
