i. Mason County Life vs Other Communication Options

(Possible Action)

Currently, per Dennis Williams, Director of Circulation Sales of the Kitsap Sun, they print 9,259 copies of the Mason County Life each week. He stated that the Mason County Life is direct mailed to all addresses in Shelton's 98584 zip code, but according to the USPS there are 15,623 addresses within 98584, so they are not saturating the area. He stated that there are no direct mailings to addresses in the North Mason area, but that the paper is available for pickup at various locations in Belfair and Allyn. That means people have to seek out their copies if they can find any. NMSD costs = \$1,000/month, \$12,000/annual. When NMSD first began advertising in the MC Life, circulation was much larger, especially in the North Mason area, but over the years it has gradually diminished.

The administration recommends that the Board of Directors...

... discontinue monthly letters in Mason County Life and instead publish a newsletter that is direct mailed to 98528, 98524, 98588, select routes in 98546 and 98312.

7. ASSURANCE OF ORGANIZATIONAL PERFORMANCE AND POLICY REVIEW

a. Monitoring Reports

(Action)

The school board adheres to the principles of Policy Governance ©. The board has written four sets of policies: Ends, Executive Requirements, Board-Superintendent Relationships, and Governance Process. The Ends policies describe the student outcomes the superintendent is charged with achieving. The Executive Requirement policies set the parameters within which the superintendent must operate as he/she leads the district toward the expected Ends. The Board-Superintendent Relationships policies describe the way in which the board will oversee the superintendent's performance and the superintendent will support the board. The Governance Process policies describe how the board and its individual members shall conduct business, represent the community, and relate to each other.

No less than once per year, the Board receives and considers evidence regarding the level of compliance with the provisions of these four sets of policies, a few at each meeting. The following are those policies to be monitored during this meeting.

i. ER-2 Organizational Continuity

The administration recommends that...

... the board find the superintendent's performance to comply with the requirements of ER-2

[ER-2 Organizational Continuity](#)

[Monitoring Response to ER-2](#)

ii. E-5 Responsible Citizens

The Superintendent has provided a comprehensive monitoring report, presented in this packet.

The administration recommends that the Board of Directors finds...

1) the Superintendent has reasonably interpreted the provisions of the Ends policy; and further finds

(2) the district is making reasonable and satisfactory progress toward achieving the desired results called for in the policy.

b. Policy Review

(Discussion)

This is the Board's opportunity to discuss, propose and/or make revisions to the policies. The Board reviewed these policies for compliance in its previous meeting. This is an opportunity for the board to consider any needed changes to these recently monitored policies. The Board did not indicate a need to revise these policies during

our monitoring review.
