

**WHITE RIVER SCHOOL DISTRICT #416  
BOARD POLICY**

**No. 1820**

1000 - THE BOARD OF DIRECTORS

Board Development

**1820 - Evaluation of the Board**

Near the conclusion of each school year, the board shall evaluate its own performance in terms of generally-accepted principles of successful Board operations. Those principles shall relate to such areas of Board operations as team building, decision making, management, school improvement, community, planning communications, instruction, influence, and policy. In addition, on a need basis, the board may elect to evaluate a specific meeting or meetings using an agreed upon checklist of acceptable indicators. The results of these evaluations may be used to set goals for the subsequent year.
