Staff Vacations

Regular full-time employees, including exempt employees of the district office, (12 months/year) shall accrue vacation leave according to the applicable collective bargaining agreement or individual employment contract.

Regular full-time classified employees may not use any vacation leave until employed for a minimum of one (1) year. Vacation leave for regular part-time employees shall be computed on a pro rate basis.

Vacation leave must be taken within the 12-month period following the time when vacation was earned, except that a maximum of 30 days may be accumulated and carried over to the following year.

When employees separate from service by reason of resignation, layoff, dismissal, retirement, or death they are entitled to a lump sum payment of unused vacation leave. No contributions will be made to an employee's retirement system for accrued vacation leave in excess of 30 days.

Classified employees should schedule vacation with their supervisors at least two weeks in advance of the first day of vacation leave. Vacation schedules should recognize the operational needs of the district and are subject to the approval of the supervisor.

When a situation arises while an employee is on paid vacation leave for which the employee is entitled to other leave (e.g. illness, injury, or death of a relative), the employee shall be granted such leave (in lieu of the approved vacation leave) provided that the employee submits a request within fourteen (14) days after returning to work indicating the type of leave requested and the circumstances requiring the change in leave status.
