

BOARD OF DIRECTORS

FIVE-YEAR STRATEGIC PLAN

The Board has established the use of a strategic plan model to formulate its goals and objectives on a five-year basis. The five-year strategic plan may include, but not be limited to, an Introductory Statement, Belief Statements, a Mission Statement, Objectives and Strategies to be used to achieve the established Objectives.

On an annual basis, the Superintendent shall present a summary report on the status of the achievements toward the objectives outlined in the strategic plan. At the end of the five-year period for which the current strategic plan covers, the Superintendent shall review the plan, and revise it as needed, for the next consecutive five-year period.
