DIPLOMAS FOR WORLD WAR II VETERANS

The District will issue high school diplomas to World War II veterans with substantial ties to the District who did not finish high school due to their military service.

To be eligible for a diploma, the veteran or his or her representative must fill out the application form developed by the Office of the Superintendent of Public Instruction (OSPI), and provide evidence of eligibility as specified by OSPI. The veteran must have been honorably discharged from the armed forces of the United States, scheduled to graduate from high school after 1940 and before 1951, and left high school before graduation in order to serve in World War II.

Veterans are eligible for the diplomas even if they subsequently earned a high school equivalency certificate or are deceased.

The Superintendent will determine those veterans who have substantial ties to the District. Examples include, but are not limited to: living or having lived in the district, having attended school in the district, having children or other descendants who have attended school in the district, having been employed by the District, or volunteering in the District.
