Cellular Telephones

The Board authorizes the issuance of cellular telephones to staff designated by the superintendent or designee for business telephone calls at those times when designated staff do not have regular telephone service readily available. At the time a designated employee accepts a district cellular telephone, he or she shall provide assurance of financial responsibility for any personal or non-business calls made on the cellular telephone. Within twenty days of the district receiving the cellular telephone bill, each designated employee will review his or her statement of calls and reimburse the district for any personal or non-business calls.
