

**MANAGEMENT SUPPORT**

**Capital Projects**

**CONSTRUCTION PHASE**

All construction shall be done as close as possible to the provisions and time tables of the facilities plan. Each new construction or renovation project shall have a board-approved budget plan.

The superintendent shall review these budgets and report periodically to the board the progress of the project and his/her assessment of whether the project is proceeding within the budget.

Adopted: 2/19/91  
Revised: 2/5/02
