

PERSONNEL

Staff Development

Additional training and study are prerequisites for continued growth and effectiveness of staff members. It is also necessary for staff members with increased responsibilities and new demands. Staff are encouraged to gain additional job-related skills through special study or in-service training.

The district may participate in the state In-Service Training Act of 1977.

The district shall develop and adopt a professional growth program.

Each holder of a professional education certificate, except those exempted by State Board of Education regulation, shall complete 150 hours of continuing education study every five years, in order to maintain his or her certificate.

ADMINISTRATION

Professional Growth and Development

The board recognizes that training and study for administrators contribute to their skill development necessary to better serve the needs of the school district. Each year the superintendent shall develop an administrative inservice program based upon the needs of the district, as well as the needs of individual administrators.
