## Administrative Policy and Procedure Manual

342.6

### PROGRAM OR CURRICULUM MODIFICATIONS

#### Policy

The District shall strive to meet the educational needs of all students enrolled in the District, help students develop to their maximum potential, and pace the educational programs to reflect a variety of learning rates and styles.

The District recognizes that program or curriculum modifications may occasionally be called for to meet the individual needs of students. Therefore, the District shall consider program or curriculum modifications at the request of individual students and/or their parents/guardians.

Students and parents/guardians shall be notified of available program or curriculum modifications at the beginning of each school year in accordance with state law requirements and District procedures.
