STUDENTS

Non-Resident Students

The Pullman School District Board of Directors annually will inform parents of the inter-district enrollment options and parental involvement opportunities. Information on inter-district acceptance policies will be provided to nonresidents on request. Providing online access to the information satisfies the requirements of this policy unless a parent or guardian specifically requests information to be provided in written form. The district will not charge any transfer fees or tuition costs for enrolling eligible nonresident students.

Consistent with Chapter 28A.225 RCW, any prospective student who resides outside the district may apply to attend a school in the district or may file the parental declaration of intent to provide home-based instruction and enroll for ancillary services. All applications for nonresident attendance or home-based instruction will be considered on an equal basis.

A parent (or guardian) will apply for admission on behalf of his or her child by completing the Annual Request for Release and Application for Nonresident Admission (Form 3141F) located on the district website. The superintendent will develop an application form which contains information including, but not limited to, the current legal residence of the child and the school district in which he or she is currently enrolled or receiving home-based instruction, basis for requesting release from the resident district and the specific building and grade level (elementary), course offerings (secondary) in which the student desires to be enrolled if accepted by the district.

The district must use the Standard Choice Transfer System in the Education Data System (EDS) to process those requests for student transfer enrollment into online or alternative learning experience programs or schools.

A student who resides in a district that does not operate a secondary program will be permitted to enroll in secondary schools in this district in accordance with state law and regulation relating to the financial responsibility of the resident district.

Standards for accepting or rejecting an application

1.0 The Superintendent will accept or reject an application for nonresident admission based upon the following standards:

1.1 Whether acceptance of a nonresident student would result in the district experiencing significant financial hardship ("financial hardship" does not include routine programmatic costs associated with serving additional disabled or non-disabled students);

1.2 Whether in the grade level or class at the building in which the student desires to be enrolled has the capacity for additional students;

1.3 Whether appropriate educational programs or services are available to improve the student's condition as stated in requesting release from his or her district of residence; Whether the student's disciplinary records indicate a history of violent or disruptive behavior or gang membership (a gang means a group of three or more persons with identifiable leadership that on an ongoing basis regularly conspires and acts in concert mainly for criminal purposes).

1.4 Whether the student has been expelled or suspended from a public school for more than ten consecutive days, in which case the student may apply for admission under the district's policy for readmission of expelled students; and

1.5 Whether enrollment of a nonresident student would conflict with a district innovation academy cooperative under RCW 28A.340.080.

1.6 Whether the student has repeatedly failed to comply with requirements for participation in an online school program, such as participating in weekly direct contact with the teacher or monthly progress evaluations.

Admission or denial: Notice of decision and appeal of decision

The superintendent in a timely manner will provide all applicants with written notification of the approval or denial of a nonresident student's enrollment application. If the student is to be admitted, the superintendent or the superintendent's designee will notify the resident district and make necessary arrangements for the transfer of student records.

If the application is denied, the superintendent will notify the parent or guardian within 45 days from receipt of the parent’s application. The notification will include of the reason(s) for denial and inform the parent or guardian of their right to appeal the district’s denial decision to the Superintendent of Public Instruction or his or her designee as detailed in RCW 28A.225.230.
The parent or guardian may appeal the denial to the district’s superintendent or designee. Within five business days of receipt of the parent’s appeal submission, the superintendent or designee will provide the parent with a written notification of the final appeal decision to either grant or deny the student’s admittance into the district.
