District Election Activities Procedure

The Public Disclosure Commission has created documents intended to assist school districts, employees, directors, and others in complying with the requirements of the Washington State statutes, regulations, and case law governing school districts and election campaigns. The Pullman School District will follow these procedures regarding the use of facilities in campaigns. The full procedures can be found on the PDC website at: www.pdc.wa.gov.

Questions that arise regarding election activities that are not clearly outlined in the PDC procedures can be directed to the district office staff.

The PDC urges districts to review the guidelines in their entirety, and to consult with their own legal counsel and with the PDC.
