

Mission: Every student 100%

- Proficient in literacy and math.
- Graduating on time.
- Prepared for success in college, career, and responsible citizenship.

Vision: Working together to ensure each student becomes a successful and productive citizen in a diverse society.

Work Study and Regular Meeting Agenda

Marysville School District
Service Center Board Room
4220 80th Street NE
Marysville, WA 98270

The Board welcomes the opportunity to hear public comment and allows time for this purpose at each regular session meeting under "Hearing of Business of Visitors". To address the board, sign up on the clipboard provided at the entrance.

Time:

- Each individual has up to 3 minutes.
- A group of individuals may combine their time (up to a 10 minute maximum) with one spokesperson for the group.
- Individuals who wish to speak or combine their time need to sign in on the speaker's clipboard.
- The maximum time allotted for Hearing of Business of Visitors per agenda is 30 minutes.

In the interest of time, order, and respect to others:

- Complaints or charges about employees are not permissible during public comment. These issues are to be addressed to the superintendent in writing.
- The board, superintendent or district personnel typically do not engage in direct conversations or give feedback during the meeting.
- Questions / comments from those addressing the board may be referred to staff for follow up at a later date, if needed.

Board action and discussion is limited to previously published agenda topics (RCW 42.30).
