

## COMMUNITY RELATIONS

### Contests

Any club, association or other organization must have prior approval for students' participation in any contest. Approval may be given by the superintendent or his designee. Such approval shall indicate whether participation by schools is mandatory or optional. Criteria to be used are:

1. The objectives of the contest shall be consistent with the district's goals and policies;
2. The proposed activity shall have educational value to the participants;
3. Participation by a student would not interfere with his/her program of curricular or co-curricular activities.
