

Procedure Termination of Employment

Probation and Non-renewal or Termination

- **Non-provisional Certificated Staff**

Non-provisional certificated staff whose performance does not meet minimum requirements based upon the specific categories for evaluation, as defined in Policy 5240, Evaluation of Staff, will receive written notice any time after October 15th. The administration will exercise the following steps:

Evaluator's Report

When an evaluator determines, based on evaluations, that the performance of a staff member does not meet minimum requirements, the evaluator will make a report in writing to the superintendent. The report will include the following:

- The evaluation report; and
- A specific and reasonable plan for improvement.

Establishment of Probationary Period

If the superintendent concurs with the evaluator that the staff member's performance does not meet minimum requirements, the superintendent will place the staff member in a probationary status any time after October 15th, and for a period of 60 school days. The staff member will receive written notice of the action which will contain the following information:

- The specific area(s) of deficiency;
- A specific and reasonable plan for improvement which gives the staff member the opportunity to demonstrate improvement in any area(s) of deficiency;
- The duration of the probationary period; and
- The right of the staff member to have representation and/or counsel in any subsequent meeting between the staff member and the evaluator.

Evaluation during the Probationary Period

- During the period of probation, the probationer may not be transferred from the supervision of the original evaluator. The original evaluator must document any improvement of performance or probable cause for non-renewal before any consideration of a request for transfer or reassignment contemplated by either the probationer or the district can occur.
- During the probationary period the evaluator will meet at least twice monthly with the probationer to determine progress made and make a written evaluation.
- The evaluator may authorize one additional certificated staff member to evaluate the probationer and aid them in improving their area of deficiency. Should the evaluator not

authorize an additional evaluator, the probationer may request that one additional certificated employee evaluator participate in the probation process. The request must be implemented by including an additional experienced evaluator assigned by the educational service district in which the school district is located. Such additional certificated staff members will be immune from civil liability incurred or imposed during an otherwise good faith performance of an evaluation.

- The probationer will be removed from probation if he or she has demonstrated improvement to the satisfaction of the evaluator in the specific area(s) detailed in the notice of deficiency and in the program for improvement.

Evaluator's Post-Probationary Report

At the end of the probationary period the evaluator will submit a written report to the superintendent. The report will identify any improvement in the area of deficiency and will specify that the certificated staff member has or has not demonstrated sufficient improvement in the stated area of deficiency to justify removal from probationary status.

Action by the Superintendent

- Immediately after the superintendent determines that the completed probationary period did not produce the performance changes detailed in the initial notice of deficiencies and improvement program, the certificated staff member may be removed from his or her assignment and placed in alternative assignment for the remainder of the school year. The reassignment may not displace another employee or adversely affect the probationary employee's compensation or benefits during the balance of the contract year. If such a reassignment is not possible, the superintendent may place the employee on paid leave for the balance of the contract term.
- Prior to May 15th, when the superintendent has determined that the employee has not demonstrated sufficient improvement in the stated area of deficiency, the superintendent will make a determination of probable cause for non-renewal of the staff member's contract and will provide written notice to the staff member by May 15 or June 15 if the omnibus appropriations act has not passed the legislature by May 15. Such notice will contain notice of any appeal rights the staff member may have and notice of the appeal processes.
- Any non-provisional certificated staff member so notified will be granted an opportunity for a hearing to determine whether or not there is sufficient cause(s) for non-renewal. The hearing may be "open" or "closed" depending on the wish of the staff member. Selection of the hearing officer and conduct of the hearing will be in accordance with RCW 28A.405.310. Should the hearing officer's decision uphold the district's non-renewal action, the certificated staff member may appeal to the superior court (RCW 28A.405.320).
- Any certificated staff member who does not request a hearing will be adversely affected as specified in the written notice.
- **Provisional Employees**
 - Provisional employees whose performance does not meet minimum requirements as defined in Policy 5240, Evaluation of Staff, will receive written notice from the superintendent by May 15, or June 15 if the omnibus appropriations act has not

passed the legislature by May 15, that the district does not intend to renew the employment contract. Such notice will cite the reason for such determination and will contain notice of any appeal rights that the employee may have and notice of the appeal processes.

- Within 10 days of receiving such notice the provisional employee may request (in writing) the opportunity to hold an informal meeting with the superintendent. The superintendent will submit his/her recommendation for non-renewal to the board (RCW 28A.405.220). The provisional employee will be notified in writing of the superintendent's decision at least three days prior to a meeting of the board. The board will consider any written communication prior to rendering a decision.
- The board will notify the provisional employee of its decision within 10 days following the meeting. Such decision will be considered final.
- Any provisional employee who does not request an informal meeting shall be adversely affected as specified in the written notice.

- **Classified Staff**

Classified staff whose performance does not satisfy the needs of the district will receive written notification from the administrator. Such written notice will contain the following information:

- Subject to the action of the board of directors, the final date of employment with the district;
- The right to request a pre-termination meeting within five (5) working days following notice; and
- Notice of any appeal rights that the employee may have and notice of the appeal processes.

At the pretermination meeting, the staff member will be entitled to be advised as to the reason(s) why the month-to-month employment agreement is being terminated and an opportunity to respond to any of the reasons presented. Upon the request of the staff member who is being recommended for termination, the board will meet with the staff member to determine if termination action will be taken.

Reduction in Force Administrative Procedures

This reduction in force policy is prepared with special consideration to the size of the school district and the fact that both staff and program offerings are substantially more limited than is the case in larger school districts within the state of Washington.

The following administrative procedures shall be used to implement the policy set forth above:

- **Guidelines for reduction in programs and services:**
 - In its efforts to provide an educational program within the district's financial resources, the board will, as much as practicable, make reductions in expenditures such as: travel, supplies, and materials and equipment before reducing staff;
 - If the educational program and services of the school district must be reduced due to a reduction in state basic education funds and or drop in enrollment, legislative or Superintendent of Public Instruction actions, or other legitimate reasons, the

following guidelines will be taken into consideration in determining the program and services to be retained, reduced or eliminated:

- The program to be retained will attempt to minimize the consequences of program reductions upon the student;
- Health and safety standards will be maintained;
- Priority will be given to those books and supplies used by students in fulfilling basic classroom objectives; and
- When revenues are categorical and depend upon actual expenditures rather than budgeted amounts, every effort will be made to maintain these programs to the limit of the categorical support.

- **Certificated staff reduction:**

In the event that it is necessary to reduce the number of certificated employees due to a reduction in funding or a drop in enrollment, those certificated employees who will be retained to implement the district's reduced or modified program and those certificated employees who will be terminated from employment will be identified by using the following procedures:

- Determination of vacant position: By May 15 of each year, or June 15 if the omnibus appropriations act has not passed the legislature by May 15, the district will determine, as accurately as possible, the total number of certificated staff to be retained. The following reasons for leaving the district will be taken into consideration: retirement, family transfer, normal resignations, discharge or non-renewal;
- Certification: Possession of a valid Washington state teaching certificate which may be required for the position(s) under consideration will be a prerequisite for retention;
- Retention by employee: Certificated staff member will, in accordance with the criteria set forth below, be considered for retention in any grade level in which actual teaching experience has been gained. For the purposes of this paragraph, actual teaching experience, will mean teaching that grade level full time for at least one (1) full year. Experience in combination grade teaching will also be considered; and
- Selection for retention: Certificated employees will be considered for retention in available positions within their grade level for which they qualify.
 - **Provisional employee:** Those employees who are provisional, as that term is used in RCW 28A.405.220 will be released first;
 - **Academic progress:** Consideration will be given for post graduate credits earned beyond the BA; and
 - **Years of experience:** Years of actual full time classroom teaching experience recognized by the state will be given consideration.
- **Evaluation results:** Beginning with the 2015-16 school year, evaluation results for certificated classroom teachers, certificated principals and assistant principals must be used as one of multiple factors in making human resource and personnel decisions. Human resource decisions include but are not limited to: employee assignment, including the consideration of an agreement to an assignment by an appropriate teacher, principal and superintendent and reduction in force. The district will not be limited in its

ability to collectively bargain how the multiple factors will be used in making human resource and personnel decisions, but the evaluation results must be a factor.

- **Affirmative action:**

Affirmative action principles will be considered in implementing the reduction in staff.

- **Action by board:**

Recommendations for certificated staff reduction developed in accordance with these procedures will be presented to the board prior to May 15 or June 15 if the omnibus appropriations act has not passed the legislature by May 15 for further action by the board.

- **Employment pool:**

Those certificated employees released under the reduction in force program will be placed in an employment pool for a period of one (1) year. In the event a vacancy occurs, those certificated employees in the employment pool, will be rehired in the order in which they entered the pool if qualified, in accordance with the provisions of the above policy. Any employee released under the reduction in force program will, in writing, keep the superintendent advised of their current address and availability for reemployment. Notice of vacancies will be mailed to their last known address. Employees in the employment pool may participate in group insurance plans for a period of one (1) year, if the carrier so agrees. The district will not contribute premiums for such employees.
