The board requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. Students are expected to:

- A. Respect the rights, person and property of others;
- B. Pursue the required course of study;
- C. Preserve the degree of order necessary for a positive climate for learning;
- D. Comply with district rules and regulations;
- E. Submit to the authority of staff and reasonable discipline imposed by school employees and respond accordingly.

The superintendent shall develop written rules of conduct which will carry out the intent of the Board and establish procedures necessary to implement this policy.
