

NONRESIDENT STUDENTS

Consistent with chapter 28A.225 RCW, any student who resides outside the district may apply to attend a school in the district or file the parental declaration of the intent to provide home-based instruction and enroll for ancillary services, if any. All applications for nonresident attendance or home-based instruction will be considered on an equal basis.

The Reardan-Edwall School District Board of Directors annually will inform parents of the interdistrict enrollment options and parental involvement opportunities. Information on interdistrict acceptance policies will be provided to nonresidents on request. Providing online access to the information satisfies the requirement of this policy unless a parent or guardian specifically requests information to be provided in written form. The district will not charge any transfer fees or tuition costs for enrolling eligible nonresident students.

~~Any student who resides outside the district may apply to attend a school in the district or file the parental declaration of the intent to provide home-based instruction and enroll for ancillary services, if any. All applications for nonresident attendance or home-based instruction will be considered on an equal basis. The district will not accept non-resident students if it would constitute a financial hardship. The district shall provide information on inter-district enrollment policies to nonresidents on request and have copies of the Superintendent of Public Instruction's annual information booklet on enrollment options in the state available for public inspection at each school building, the central office and local public libraries.~~

A parent or guardian shall apply for admission on behalf of his or her child by completing the appropriate district application. The superintendent shall develop an application form which contains information including, but not limited to, the current legal residence of the child and the school district in which he or she is currently enrolled or receiving home-based instruction, the basis for requesting release from the resident district and the specific building and grade level (elementary) or course offerings (secondary) in which the student desires to be enrolled if accepted by the district.

A student who resides in a district that does not operate a secondary program will be permitted to enroll in secondary schools in this district in accordance with state law and regulation related to the financial responsibility of the resident district.

Admission or denial: Notice of decision and appeal of decision

The superintendent in a timely manner shall provide all applicants with written notification of the approval or denial of the application. If the student is to be admitted, the superintendent shall notify the resident district and make necessary arrangements for the transfer of student records.

If the application is denied, the superintendent will notify the parent or guardian of the right to petition the board, upon five school business day's prior notice, for review of the decision and to have a hearing before the board at its next regular meeting. Following the hearing by the board, a final decision shall be promptly communicated to the parent in writing.
