

## CHARGE CARDS

The board authorizes the issuance of charge (purchasing) cards to officers and staff for district purchases, acquisitions and authorized travel.

The superintendent and Business Manager are responsible for the authorization and control of the use of credit card funds, subject to final board approval of payments.

Upon billing or no later than two (2) business days of the billing date, the officer or staff member using a charge card shall submit a fully itemized expense voucher including receipts or invoices supporting purchases. Any charges not properly identified on the expense voucher or not allowed following review by the auditing officer shall be paid by the official or staff member.

Any official or staff member who has been issued a charge card shall not use the card if any disallowed charges are outstanding.

The superintendent shall establish procedures for the issuance and use of charge cards.
