WHEREAS, the Board has determined that it is not possible or advisable to sell the District’s bonds in time to permit the Controller-Treasurer, or other appropriate County official, of the County to calculate the tax rates necessary to pay debt service on such bonds in order that such tax rates may be reflected on 2020-21 property tax bills of taxpayers in the District; and

WHEREAS, the Education Code of the State of California provides that the Board of Supervisors of each county shall annually, at the time of making the levy of taxes for county purposes, estimate the amount of money required to meet the payment of the principal and interest on the bonds authorized by the electors of the District and not sold, and which the Board of Trustees of the District informs the Board of Supervisors in their belief will be sold before the next tax levy, and further provides that said Board of Supervisors shall levy a tax sufficient to pay the principal and interest so estimated; and

WHEREAS, this Board deems it necessary and desirable to issue a series of the District’s bonds either late in Fiscal Year 2019-20 or early in Fiscal Year 2020-21, as authorized by the Education Code, and that the County levy a tax for payment on debt service estimated to come due on such bonds during Fiscal Year 2020-21.
