

## **Reardan Elementary Principal's Report November 18, 2020, Board Meeting**

- **Grading and Conferences:** At the time of this writing, teachers have offered in person, Google Meets, or phone conferences to parents/guardians. We sent out a letter enabling parents/guardians. Kelly has used the returned letters to schedule families with multiple students attending Reardan Elementary School first and then scheduled all other students' conferences. Report cards will be sent home with elementary students Thursday, November 12<sup>th</sup>.

Early release lunches are grab and go and students are allowed to eat on the buses. If we seated students, we'd need to start lunch at 9:00 because it takes us 2 ½ hours for lunches in order to maintain social distances.

- **Masks Breaks during inclement weather:** During inclement weather and when gyms are in use, elementary students will be able to take mask breaks in the commons and the elementary library, when they are available.

- **Social-Emotional Learning (SEL):** Rural Resources of Lincoln County is providing a weekly lesson for our 5<sup>th</sup> grade classes virtually. The lessons are art based helping students reflect on their choices and the impact of their choices on others.

Purposeful People SEL lessons for November focus upon the trait of gratefulness. December's focus will be kindness.

- **COVID-19 Impact:** Because of our recent weather, PE has been moved inside. Mr. Graham helps students maintain social distancing by allowing one student get PE shoes from the storage area at a time and placing sit spot 6 feet apart on the rug where students change from street shoes to gym floor shoes. The students maintain 6 feet at the exercise spots.

**Best Students, Best People, Best Education**
