Greetings From Food Service!

Students who are not able to attend in-person school yet can still receive their meals from any one of the listed sites and times. With hybrid students returning to school, we have begun to monitor each site to determine if changes should be made.
We will keep you posted through the district website for all updated information.

Meal Sites Operate During School Days Only

7:30-8:30am

Apple Acres

Guadalupe Apts

Purtteman Gulch

Chelan Falls (starting 11/16– Wednesdays only)

Stayman Flats (starting 11/16- Wednesdays only)

11:00-12:35pm

MOE Curbside

Please remember 1 meal per student each day. If your student is attending in-person school, they will get their meal at school.

Until further notice, meals remain free to all students and those between the ages of 1-18.

A NEW MURAL HAS BEEN PAINTED INSIDE OF THE MOE CAFETERIA REMINDING STUDENTS TO

EAT A RAINBOW!

NEW!

Food Service

Direct Line

509-860-4123

Please text your questions to the above cell phone so that we can answer your questions right away!

Please include your name and your students name with your text.

Thank you!

If you have not done so already, please submit your Free and Reduced-Price Meal Applications even though meals are currently free. We will be happy to mail you an application—please call or text 509-860-4123 .

Information from the eligible applications will provide a current picture of the economic impact to student households which helps benefit multiple departments in our district. Also, when we eventually return to our normal meal service, this will help facilitate a smoother transition of our enrolled students' lunch account status.

If you have an outstanding school lunch account, please help us by paying that down. We encourage all lunch accounts to be paid by the end of each school year. Thank you!
