

## MS/HS Counselor's Report

November 19, 2020

- **High School and Beyond Plan:** All students have been given their username and password to access their High school and Beyond Plan. District staff will collaborate with students during homeroom and help them fill out their plan online. Students will have printed off results and put in their portfolio for review with Parents during Virtual Student-Led Conferences.
- **Scholarships:** My website remains up to date with the latest scholarships. I also post scholarships on my Instagram page.
- **SBA Makeup Testing:** There are no fall makeup tests for the SBA Assessments because of the delinking of the test from graduation requirements. The ASVAB helped approximately 10 kids over the graduation requirement hurdle. The handful of students left have pathways that will help them with graduation. Mr. Perleberg and I have worked on gathering CTE completers and getting them into the EDS system accurately.
- **Fall Student led/parent teacher conference:** fall conferences are the 20<sup>th</sup>, 23<sup>rd</sup>, 24<sup>th</sup>. The students will do their student led conferences virtually.
- **College Fair:** I have posted virtual college fairs on my Instagram page that kids can check out.
- Trauma and self-care staff presentation. The counseling department presented to the 6-12 staff on Childhood trauma and self-care.
