

## **Board Member Compensation**

Each board member may receive compensation of fifty dollars (\$50) per meeting or portion thereof for attending board meetings and for performing other services on behalf of the school district, not to exceed four thousand eight hundred dollars per year, if the district board of directors has authorized by board resolution, at a regularly scheduled meeting, the provision of such compensation. Such compensation shall come from locally collected excess levy funds available for that purpose, and shall not cause the state to incur any present or future funding obligation. Stipends will be reimbursed by calendar year. Each November board members will receive a director's compensation waiver. This form will need to be filled out and returned to the district office by December and payment will be dispersed in January.

Any board member may waive all or any portion of his/her compensation for any month or months during his/her term of office, by a written waiver filed with the district. The waiver may be filed any time after the director's election and before the date on which the compensation would otherwise be paid. The waiver shall specify the month or period of months for which it is made.
