Proper documentation is required to receive credit for experience and training.

The District will make payroll deductions for staff as required by law, such as federal withholdings, applicable state retirement contributions, and industrial insurance premiums.

The District will make payroll deductions for staff based on contractual agreements, such as those required by collective bargaining agreements.

The District may make voluntary payroll deductions for staff of the following type after an employee has submitted a written request to make such a deduction: credit unions, United Way, life insurance, tax-sheltered annuities, etc.
