

## The Finish Line!

With just a little over a few weeks left of school, we begin to look towards the Summer and all the fun it brings. Right now, our Food Service Department is planning ahead. Summer STEAM! is next on our list in July. Our next school year is looking to be just as interesting and we look forward to sharing that information once plans are in place. Until then, we wish you all a very safe Summer and look forward to seeing ALL our students at the end of August!
