Dear Community Member:

The 2021-2022 school year has been an exciting one for our community youth activities and the Booster Club is looking forward to what the new year ahead may bring! As in past year's we are reminded how generous the Quincy community has been and we are grateful for your support. It is a privilege to work with you!

The Quincy Booster Club relies heavily on the backing and generosity of its membership to help support Quincy's youth. QBC works closely with coaches and community volunteers to distribute funds selectively as needed to help facilitate extracurricular activities for Quincy youth as well as contribute to major purchases that would not otherwise be afforded by the local school district. With the donations and aid of our many Members, we have been able to contribute to projects including:

- **QHS football stadium reader-board/scoreboard**
- **QJH girls and boys basketball uniforms**
- **Quincy Youth Baseball equipment and uniforms**
- **Jackrabbit mural located at Quincy Valley Fruit**

The Booster Club regularly contributes to Senior Posters and state participant meals and t-shirts and has also set aside a grant fund of \$6,000 yearly which is available specifically to "Youth Sports" of all ages.

This year's tiered membership program will be similar to previous years with pricing levels as follows:

GOLD: \$300

GREEN: \$200

WHITE: \$150

The family and business membership options of \$25 and \$50 per year respectively will remain the same.

This membership program creates opportunity for you as a business to receive advertising while supporting the Quincy Booster Club as well as give special recognition to those who give more to support our club and its activities. Sponsors can increase their yearly amount as desired.

The membership levels will be displayed in the QHS gym and this year we will be receiving a **new, larger sign** to better accommodate member names. The enclosed flyer includes a fill-in form for your convenience should you decide you would like to support in any way. For those that are renewing, we have included an invoice for your records.

To guarantee your place on the new sign, we request a response with payment by July 10th.

Once again, thank you for your continued support of our community and its activities and athletics. Please remember all contributions are tax deductible as the Quincy Booster Club is a 501C3 non-profit organization. If you have any questions or would like to volunteer in any capacity, please contact a board member directly.

Sincerely,

Quincy Booster Club Board
