Dear Lake Chelan School Board,

After much reflection, I would like to formally resign my position at Morgen Owings Elementary School, effective August 31, 2020.

At the same time, I would like the district to consider hiring me if a second teaching position should come open at Holden Village.

My current plans include living at the village next year. If enrollment warrants a second teaching position, I would love to take on this opportunity.

Sincerely,

Karen Ruth Crowell
