

Chelan FBLA Students Win 2nd place for Desktop Publishing at National FBLA Competition

Shelby Dietrich and Sarah Kunkel placed 2nd in the NATION and won a \$500 cash award in Desktop Publishing at the FBLA National Competition in Anaheim, CA June 27-30, 2013! Words cannot describe how amazing it was to hear the girls' names being called and seeing them on stage in front of 8,500 other FBLA students plus advisors and guests!! The girls completed a 2 hour production test where they completed a flyer, brochure/registration form and name tags for a fictional outdoor camp in Hawaii as well as a 1 hour objective test. Not only were they great competitors but EXCELLENT representative of Chelan High School and Chelan FBLA!! I could not be more proud of these girls!!

Please congratulate Shelby and Sarah when you see them this summer!!
