

End of 2017-18 School Year
Pendleton, Oregon Field Trip
Friday, June 08th

We are excited to visit Blue Mountain Wildlife Station to learn all about how they aid orphaned, sick or injured wildlife, primarily birds of prey, providing the treatment and care necessary to return them to their natural habitat. After the wildlife tour we will eat lunch, have a little play time at Pioneer Park and drive to The Pendleton Aquatic Center for some water enjoyment.

Please keep in mind your child(ren) will need clothing and shoes appropriate for the Wildlife tour, playing at the park, and swimming (tennis shoes, swimsuit, towel, sunscreen and etc.) The school bus will leave Dixie School at approximately 8:15am. We will be returning by 4:00pm. If you are picking up your child(ren) please be at the school by 4:00pm.

NOTE: Any person, including students, parents and school personnel, may possess topical sunscreen products to help prevent sunburn while on school property, at a school-related event and activity. A sunscreen product may be possessed and applied under this section without the prescription or note of a licensed health care professional.....For student use; a sunscreen product must be supplied by parent/guardian. Nothing in this section requires school personnel to assist students in applying sunscreen." - *WA State House Bill Amendment 5404 to RCW 28A.210*

Please remember, before we are able to transport your child (ren) or permit them to travel offsite we will need a signed parental consent (WAC 170-295-2070).

[Parental Consent Form](#)

If you have any questions or concerns please call the office at (509) 525-5339.

Thank you!
