

Behavior Action Plan

1. Choose one of the five common misbehaviors that is occurring in your classroom.
2. How do you routinely address this behavior?
3. Picture a student who is not responding to your routine intervention(s).
4. Review the menu of Tier 1 interventions that relate to the student behavior.
5. In the space below, list up to 5 interventions from the list that you might want to try:
 - a)
 - b)
 - c)
 - d)
 - e)
6. Commit to trying one to five of these alternate interventions for 4-5 weeks. More than one intervention may be implemented at the same time.
7. Collect data on the effectiveness of the alternative intervention(s) over the 4 weeks and be prepared to share out at our next meeting. See data tracking sheet.
