

COOPERATIVE PROGRAMS WITH OTHER DISTRICTS AND PUBLIC AGENCIES, PRIVATE SCHOOLS AND DAYCARE AGENCIES

Whenever it appears to the economic, administrative, and educational advantage of the district to participate in cooperative programs with other districts and public agencies, private schools, and daycare agencies, the superintendent will prepare and present for the board's consideration an analysis of each cooperative proposal. Cooperative programs between two or more small school districts will not affect the small school factor of participating schools.

Cooperative agreements will comply with the requirements of the Interlocal Cooperation Act, with assurances that all parties to the agreement have the legal authority to engage in the activities contemplated by the agreement.
