TWO PEOPLE ARE NEEDED for the Chelan Fire and Rescue “Sparky the Firedog” program. Sparky encourages and educates children and families about fire safety and prevention. This ongoing program has been in operation since 1951.

YOU COULD BE “Sparky” encouraging fire safety education and preparedness. Sparky makes personal appearances at Association and community events to the delight of kids of ALL ages.

If you’d like to earn community service hours in a super fun way, consider being Sparky at approximately six events per year.

The person who is “Sparky” must be 5’9” to 6’2” in order to fit in the costume. Their handler (leads Sparky around and watches for hazards) can be any height and will not wear a costume other than a firefighter shirt.

Contact volunteer coordinator, Ron Simmons, at 425-356-7483.

Join the fun!  Meet Santa!
