

# Mrs. Demory & Mr. Jones 5th Grade

## MAY 2017

### Our learning at a glance

**Reading** - This quarter we will be focusing on comparing and contrasting events in our stories.

**Writing** - We will be focusing on opinion writing. It is important for all students to understand that we all have opinions, and it's ok if they are different from other people's opinions.

**Math** - We are reviewing all standards taught for the year, to prepare for SBAC testing.

**Social Studies** - This quarter we are learning about what it means to be a citizen and what our rights and responsibilities are.

**Science** - Students are preparing for the Science MSP through hands on Investigations. Students have been given their final science Project. This is an at home investigation. We will have sometime in class to prepare however each student is responsible for doing his /her own work. We will share our at our Science EXPO on May 25. This is also the same day we will go on our "Solar Car" Field trip. We will have fun building the solar cars for this field trip!

### Students of the Month:

Alondra Perez  
Vanessa Hernandez  
Alma Diaz  
Marianna Perez  
Jesse Pacheco

### Dates to Remember:

May 25 --5th grade Field Trip--Solar Cars  
May 25--5th grade Science Projects due  
May 26--Half Day  
May 29--No School--Memorial Day

Parents: Please let us know if there is anything we can do to answer any questions or concerns you may have. We will need a few volunteers for upcoming field trip, if you can help let us know.
