Partnership with Thrive

- Pantry available for low income students or face food insecurity
- FBLA completes inventory for monthly food orders
- Partnership opens up new competition opportunities

SCHOOL FOOD PANTRY UP AND RUNNING!

Thanks to the leadership of high school teacher and FBLA advisor, Jess Poland, Thrive and Chelan Middle/High School are piloting a food pantry program for secondary students. This program launched last week and will help ensure that hungry students have access to the sustenance over the weekends.

The pantry is stocked with granola bars, crackers, soup, protein bars, fruit leather and other shelf-stable items. Chelan FBLA students will be responsible for keeping accurate inventory of food items received and consumed. Thrive will order and deliver food on a monthly basis to keep the pantry stocked.

School counselors and teachers will continue to spread the word about the pantry to ensure that all middle and high school students know when and how to access food if they need it. We are very excited to partner with Chelan FBLA to offer more weekend food support for teens while preserving their dignity and choice by utilizing a pantry model.

We look forward to providing you with more updates on this pilot program as the year progresses!

Upcoming Events

Dec 16 - North Central Leadership Conference

Jan 29 - North Central Winter Conference

Apr 20-23 - Washington State Leadership Conference

TBD - FingerPrint ID Project
