## News from Mr. Bushy

Coming soon! Important SBAC Math Test Dates in May

Tuesday, May 16<sup>th</sup> - Mr. Bushy's AM math class (SBAC CAT Test)

Thursday, May 18<sup>th</sup> – Mr. Bushy's PM math class (SBAC CAT Test)

Tuesday, May 23<sup>rd</sup> - Mr. Bushy's AM math class (SBAC Performance Task)

Thursday, May 25<sup>th</sup> – Mr. Bushy's PM math class (SBAC performance Task)

These state tests are important as they reflect your child's academic growth in Mathematics for the 2016-17 school year. In addition, Quincy Junior High will use these assessments to help place students in math classes in 7<sup>th</sup> grade. Please make sure your child gets plenty of rest and is ready to persevere through this long assessment. As always, I appreciate the support you have given your child to help make this a successful year. I am confident they will do well and I think most of the students are confident in the skills they have learned this year. They have worked very hard!

Test results of your child's performance on the Math SBAC should be available to us before the school year is over in June.

Thank you for your support,  
Mr. Bushy
