Mrs. Rang's Class

## A message from Mrs. Rang:

Testing is upon us. Your students have worked so hard this year, and we are ready to show all we know. We have four weeks of testing, so it is important that they are here every day and ready to learn and work hard. Our field trip is also coming up quickly, you should have already seen a permission slip sent home.

As always, feel free to contact me with questions or concerns [Krang@qsd.wednet.edu](mailto:Krang@qsd.wednet.edu) or 787-9826.

We have been practicing our math facts through games using dice and cards. Ask your student to teach you how to play.

We have finished our Oregon Trail projects. The students worked so hard on these and they will be taking them home soon. Be sure to ask about them.
