*The mission of the West Valley School District, a vital partner of a proud and caring community, is to ensure that all students achieve their highest level of knowledge, skills and attitudes necessary to be responsible and productive citizens, effective communicators, creative problem-solvers and life-long learners. Through mutual support and the combined efforts of our families, schools and community, we will provide a safe, high-quality learning environment in which each student experiences success everyday.*

***Members of the public who would like to provide public comment will sign-in.***

***Speakers will be called in the order that they signed-in to speak. Speakers will be given three minutes for their comments. Public comment is not the proper forum to address concerns about a specific staff member. If a person has concerns about a specific staff member, they should make an appointment with the Superintendent to address their concerns.***
