

BOARD OF DIRECTORS: BELIEF STATEMENTS

*As a means of fulfilling the board's mission, each member subscribes to these belief statements.
We believe:*

1. Education is the shared obligation of the student, family, school, and community.
2. Education must take place in a safe and caring environment that values high expectations, honesty, trust, and respect.
3. All students must have the opportunity to learn and experience success individually and collectively.
4. All students must feel valued as human beings and successful as learners.
5. Every student is unique and all are capable.
6. All members of the school community have equal dignity and worth.
7. Cultural and social diversity are strengths in an educational environment.
8. Learning is a life-long process.
9. Schools are accountable to the public.
10. Patriotism and citizenship are fundamental to our society.
11. Individual commitment strengthens the entire organization.
