SUBJECT: Board Meeting Information

Our next Board meeting is scheduled for Tuesday, July 17, 2014 at 5:30 p.m. in the Boardroom at the district office. This memo includes background information related to the agenda to assist you in preparing for the meeting. Additional documents are also electronically linked to the agenda for easy access. Please let me know if you have questions on any of these items.

Following the opening of the meeting and the approval of the Consent Agenda, we will have brief reports and updates from John and Tricia.

After the board signs the official documents, Tia Stoddard will facilitate a board work session on the 2013-2014 budget. This is an opportunity for you to review the budget, ask for clarification and weigh in prior to approval at the August Board meeting.

Finally, we will move to executive session to review a land use agreement.

After reviewing the agenda and related documents, please contact me if you would like any additional information prior to the meeting.
