

SUSPENSION OF A POLICY

A policy of the board shall be subject to suspension by a majority vote of the members present, provided all board members have received notice of the meeting and the notice included a proposal to suspend the policy and an explanation of the purpose. Any suspension shall be for a specific incident and does not continue beyond the duration of the single incident. If such proposal is not made in writing in advance of the meeting, a policy may be suspended only by a unanimous vote of all board members present. The board shall then review the suspension at the following regularly scheduled meeting of the board. The board may also by these same rules suspend the procedures.
