

WEST VALLEY SCHOOL DISTRICT 2017-18

SUPERINTENDENT GOALS

1. Successful 4-Year Levy in February, 2018 measured by passage.
2. Successful ENGAGE Blended Learning Initiative throughout K-12 classrooms as measured by survey of staff, and students.
3. Successful expansion of West Valley Virtual Academy throughout WVSD and Washington State as measured by continued growth in headcount, FTE, as well as in expansion of learning opportunities for students.
4. PBIS consistency throughout all schools K-12 as measured through report from all building principals.

BOARD-DIRECTED GOALS

1. Cost Benefit Analysis of existing programs/initiatives for the purpose of the initiation of steps to achieve efficiency as measured by presentation and review of programs/initiatives.
2. Online Learning opportunity extended to WVSD students within the 6 period day as measured by increased learning opportunities.
3. Implement AVID to provide academic support for more students as measured by training for implementation in 2018-19 school year.

BOARD-DIRECTED EXAMINATIONS/ONGOING STUDIES

1. Digital Equity options for all students ahead of 2018-19 budget process.
2. Middle Level Campus model; organization of school day, structure of teaching and administrative models.
3. Gender equality throughout mostly male-dominated CTE technical fields.
4. Focus on reduction of absences.
5. Foster greater development of career and college aptitudes in students at earlier age.
6. Foster greater levels of parental involvement.
