Mrs. Aalbers' & Mrs. Heikes' Class

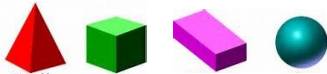

What do you need to know about **SBAC** (Smarter Balanced Assessment Consortium) testing?

- ⇒ It is time for your child to show what he or she has learned in sixth grade! It is an opportunity.
- ⇒ Our class testing schedule is below.
- ⇒ We can support your child with encouragement and positive attitudes.
- ⇒ Remember that the brain works best with a good night's sleep, good nutrition and exercise.
- ⇒ TOGETHER, LET'S HELP YOUR CHILD "ROCK" THE SBAC!

Math

We finished **GEOMETRY!**

Here was your child's test level.

Level 4	Wow!
Level 3	Got it!
Level 2	Getting there.
Level 1	Learning.

Next we will study
STATISTICS.

Reading

We are finishing up the last 3 weeks of Unit 5 and will be doing a 2 week unit on Egypt.

Writing

We are writing a narrative about an Egyptian from different perspective. One person might write as a slave, another might be a architect.
