Lake Chelan School District  
309 E. Johnson Ave.  
Chelan, WA 98816

Dear Barry DePaoli, Brad Wilson, Brian Wood, Scott Granger, & Tamar Burns,

Please accept this letter as notice of my resignation as the District Athletic Director for the Lake Chelan School District. My last day in office will be at the immediate finish of the Winter Covid Sports season, Friday, June 18th, 2021. Confluence Health will need me to begin their orientation process on Monday June 21st, 2021.

I have decided to pursue another career field to give myself and my family a different work/life balance. Over the past three years we have deeply missed being able to do life with our closest friends and serving more in our church in Wenatchee. Our community of friends means the world to us. By no way have I had a bad experience with the Lake Chelan School District. We have just realized we are in need of a different work/life balance for both myself and my wife at this point in our life to allow our whole family to thrive.

To say it has been a pleasure to work with all of you over the past year would be a severe understatement. The Lake Chelan School District is a great place to work because of your leadership. Working for you has been a true privilege. I hope you know how much of an impact you have had on how I will choose to lead and handle different issues in my career moving forward. I do not take for granted the opportunity you all gave me.

Thank you again for the opportunity to work and serve the students, community, and staff of the Lake Chelan School District. I wish you and the LCSD family all the best. I will continually be available for any needs of the person who replaces me and am more than happy to help where I can. Go Pirates and Go Goats!

Sincerely,

A handwritten signature in cursive script that reads "Scott Paine".

To Whom it May Concern,

I write this letter to express and inform my resigning of my current paraprofessional position at Morgen Owings Elementary School. After many years of working for the district in many areas, I am moving on to accepting a teaching position in the 2nd grade level in this same school district.

I am nothing but grateful for all the opportunities and experience that have lead me to grow and expand my abilities for the needs of our students.

Sincerely,  
Yesenia Vieyra Montes

Letter of Resignation

Chelan Girls Soccer

With regret I, Marina Darlington, have chosen to resign from my position as Head Coach of the Chelan Girls Soccer Program. Due to the birth of my son this spring and my desire to stay home and spend time with him we have decided as a family that I no longer have the time necessary to dedicate myself to the time requirements of the position.

Sincerely,

Marina Darlington

Hi Georgia,

I'm sad to inform that I am going to have to resign as the interim assistant wrestling coach. Thank you for the opportunity to give back to my community. Skyler Gordon is willing to take over that position.

Thanks,

Ty Schwartz
