### 5. Teacher Termination

**(Action)**

The Board will be sitting to hear Superintendent Ely's recommendation that the Board vote to terminate the employment of Charlotte Kalstrom. The Constitution of the State of Montana provides that meetings of public entities are generally open to the public. Such meetings, like meetings of school boards, may only be closed when there is an articulated right of individual privacy that clearly exceeds the public's right to know and observe what is being done by a public entity. In this instance, it is anticipated that the Board Chair will close the meeting because there are minor students involved who have rights of privacy that have not been waived and which clearly exceed the merits of public disclosure of the Board's proceedings on this matter. At the time of the publishing of this agenda no protected rights of privacy relevant to this agenda item have been waived. Importantly, it should be noted that any action taken by the Board on Ms. Kalstrom's employment will be taken in open session, not closed session.
