RE: Elementary School Cooling Tower

As requested, we have assembled a bid proposal for the replacement of the cooling tower serving the elementary school. The existing tower is 32 years old and has failed causing the water from the loop to leak to the outside. Our bid proposal includes labor, Cooling tower, glycol and all necessary parts for a complete replacement with the exception of line voltage electrical. Please allow 8-12 weeks for build and ship time of the cooling tower. Our bid proposal is as follows:

Option One

Cooling tower Replacement:
(Applicable tax in addition to this bid price)

\$111, 275.00

We would like to thank you for this opportunity to earn your business. We will strive to give you the best service at the most economical price possible. If you have any questions or need any additional information, please feel free to contact me at (509) 885-4480.

Yours truly,
